**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 102(b)(7) of the Delaware General Corporation Law (the “DGCL”) permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful payment of dividends or unlawful stock purchases or redemptions or (iv) for any transaction from which the director derived an improper personal benefit. Our certificate of incorporation contains such a provision.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation—a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Our certificate of incorporation and bylaws contain such a provision.

We have in effect a directors and officers liability insurance policy indemnifying our directors and officers for certain liabilities incurred by them, including liabilities under the Securities Act and the Exchange Act. We pay the entire premium of this policy.

We are party to indemnification agreements with each of our directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Section 145 of the DGCL against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

These indemnification provisions and the indemnification agreements may be sufficiently broad to permit indemnification of our directors and executive officers for liabilities (including reimbursement of expenses incurred) arising under the Securities Act.

**Item 9. Undertakings.**

The undersigned Registrant, FTC SOLAR, INC., undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
  - (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Filing Fee" table in the effective Registration Statement; and

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (i) and (ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

- (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Sections 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

RE: FTC Solar, Inc.  
Registration Statement on Form S-8

Ladies and Gentlemen:

We have acted as special United States counsel to FTC Solar, Inc., a Delaware corporation (the "Company"), in connection with the registration statement on Form S-8 (the "Registration Statement") to be filed on the date hereof by the Company with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933 (the "Securities Act"). The Registration Statement relates to the registration of (i) 3,704,785 shares (the "Evergreen Shares") of the Company's common stock, par value \$0.0001 per share (the "Common Stock"), available for future issuance pursuant to the FTC Solar, Inc. 2021 Stock Incentive Plan (the "2021 Plan") and (ii) 5,000,000 shares (the "2017 Shares" and together with the Evergreen Shares, the "Shares") of Common Stock available for future issuance upon the settlement of restricted stock units and the exercise of options that were previously granted under the FTC Solar, Inc. 2017 Stock Incentive Plan, as amended to date (the "2017 Plan" and together with the 2021 Plan, the "Plans" and each, a "Plan"), and remain outstanding.

This opinion is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

In rendering the opinion stated herein, we have examined and relied upon the following:

---

- (a) the Plans;
- (b) the Registration Statement in the form to be filed with the Commission on the date hereof;
- (c) an executed copy of a certificate of Jacob D. Wolf, General Counsel and Secretary of the Company, dated the date hereof (the "Secretary's Certificate");
- (d) a copy of the Company's Certificate of Incorporation, as in effect as of the date each Plan was adopted, and certified pursuant to the Secretary's Certificate;
- (e) a copy of the Company's Amended and Restated Certificate of Incorporation (the "Amended and Restated Certificate of Incorporation"), certified by the Secretary of State of the State of Delaware as of June 14, 2022, and certified pursuant to the Secretary's Certificate;
- (f) a copy of the Company's Bylaws, as in effect as of the date each Plan was adopted, and certified pursuant to the Secretary's Certificate;
- (g) a copy of the Company's Amended and Restated Bylaws (the "Amended and Restated Bylaws"), as amended and in effect as of the date hereof and certified pursuant to the Secretary's Certificate;
- (h) a copy of certain resolutions of the Board of Directors of the Company adopted on January 9, 2017, May 9, 2019, July 21, 2020, January 7, 2021 and April 16, 2021, a copy of certain resolutions of the Compensation Committee of the Board of Directors of the Company adopted on January 24, 2022 and a copy of certain resolutions of the stockholders of the Company adopted on January 9, 2017, December 15, 2020, January 11, 2021, April 5, 2021, April 14, 2021 and April 16, 2021, each as certified pursuant to the Secretary's Certificate;
- (i) a certificate, dated July 1, 2022, from the Secretary of State of the State of Delaware, with respect to the Company's existence and good standing in the State of Delaware;
- (j) a specimen certificate representing the Common Stock; and
- (k) the forms of award agreements under each Plan.

We have also examined originals or copies, certified or otherwise identified to our satisfaction, of such records of the Company and such agreements, certificates and receipts of public officials, certificates of officers or other representatives of the Company and others, and such other documents as we have deemed necessary or appropriate as a basis for the opinion stated below.

---

In our examination, we have assumed the genuineness of all signatures, including electronic signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photocopied copies, and the authenticity of the originals of such copies. In making our examination of executed documents, we have assumed that the parties thereto, other than the Company, had the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and the execution and delivery by such parties of such documents and the validity and binding effect thereof on such parties. As to any facts relevant to the opinion stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others and of public officials, including the facts and conclusions set forth in the Secretary's Certificate.

We do not express any opinion with respect to the laws of any jurisdiction other than the General Corporation Law of the State of Delaware (the "DGCL").

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that the Shares have been duly authorized by all requisite corporate action on the part of the Company under the DGCL and, when awarded by the Board of Directors of the Company or a duly authorized committee thereof and issued and paid for in accordance with the terms of the applicable Plan and the applicable award agreements under the applicable Plan, the Shares will be validly issued, fully paid and nonassessable.

In rendering the opinion stated herein, we have assumed that (i) an appropriate account statement evidencing the Shares credited to a recipient's account maintained with the Company's transfer agent has been or will be issued by the Company's transfer agent; (ii) the issuance of the Shares will be properly recorded in the books and records of the Company; (iii) each award agreement pursuant to which rights to acquire Evergreen Shares or other awards are granted pursuant to the 2021 Plan will be consistent with the 2021 Plan and will be duly authorized, executed and delivered by the parties thereto; (iv) the consideration received by the Company for each of the Shares delivered pursuant to the Plans shall not be less than the \$0.0001 per share; and (v) the issuance of the Shares does not violate or conflict with any agreement or instrument binding on the Company (except that we do not make this assumption with respect to the Company's Amended and Restated Certificate of Incorporation or the Amended and Restated Bylaws).

---

We hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Very truly yours,

/s/ Skadden, Arps, Slate, Meagher & Flom LLP
